

WE ARE

RECRUITING

WHAT IS E-FARMS?

The e-FARMS program, funded by the US Department of Agriculture, aims to equip students with computational modeling & simulation skills and science pedagogy to promote equitable learning opportunities for college students in STEM majors.

ELIGIBILITY

Undergraduate students enrolled in STEM or STEM-related majors pursuing a B.S. degree at one of the following campuses: Cal State LA, San Diego State, CSU Bakersfield

ACTIVITIES

- Attend 10 Zoom live training sessions
- Each session is 75 min.
- Date & Time: Thursdays between Sept. 12 and Nov. 14, from 9:00 to 10:15 AM PST

COMPENSATION

Upon completion of the program and expected activities, we will offer a stipend of \$1,000 and a certificate of completion.
